

Full Service Experience With A Personal Touch

Kings offers a full range of catering services from full event planning to quick delivery of a gourmet business lunch, get together and everything in between. Our Catering Coordinators are here to help you plan your next special occasion.

Floral Arrangements

Our accomplished floral designers are committed to creating the most beautiful and memorable décor for your event. With a myriad of fresh flowers available in an abundance of hues and combinations, they can custom design the perfect bouquets, arrangements and center pieces for any occasion.

Expert Planning

Whether you're planning an intimate gathering or a large event, Kings catering coordinators will provide you an unmatched level of service every step of the way.
